Officiating Record

Issued under the *Professional Combat Sports Act 1987 & Regulations 2004*

It is the registered applicant's responsibility to ensure that their contest officiating record is kept up to date. It is suggested that you keep a written record of each and every promotion that you attend and the capacity in which you participated in that promotion. Please also note any Title contest that you may officiate in, including the date, opponents, sanctioning body, Title details and the outcome.
